Adventures with Autism, Down Syndrome, and Epilepsy, Inc.

We are proud to announce the 17th annual NACE Austin Chapter (National Association of Catering and Events) fundraiser (www.naceaustin.com) where we are focusing on our industry: **catering and events**.

We are working on all the details currently as this *nationally* recognized and award-winning evening includes a chef's showcase (featuring Austin's top culinary talent), entertainment, and music (Austin IS, after all, the live music capitol of the world!).

Proceeds benefit the Foundation of NACE and provide NACE-member scholarships in support of attendance at the organization's National Educational and Leadership Conference each year. A portion of the event's net profit also benefits our **2017 Local Charity Partner, Adventures with Autism, Down Syndrome, and Epilepsy** (<http://awadae.org/>). Your financial support and participation will both enhance our fundraising efforts and provide a great opportunity for you to network with **Hotel, Catering and Events-related industry professionals**.

Our supporters will benefit from the event's marketing efforts and exposure to our Charity Partner and their volunteers. And you'll be publicly recognized and warmly thanked for your generous contributions before all the guests in attendance on this enjoyable evening.

We have more than 500 influential professional catering and events professionals on our email list and close to 100 paid members of the organization. Professional catering and event professionals who work in all aspects of the industry: production, rentals, coordination, vendors and suppliers. Our members include entrepreneurs responsible for the buying decisions of their companies as well as corporate social media influencers.

We have opportunities to meet a wide variety of needs – you may choose from Corporate Sponsorship opportunities, In-Kind Partnerships, or Silent Auction Support.

For more information and to participate please contact:
